

## Topmodel CZ Electra Pro - 2560mm - ARF - mit Klappen

**Art.Nr.:** 02012ARF

This one will please the electric flight enthusiasts!

At last, a high performance sailplane designed from the start for electric flight.

The fuselage has built in air cooling vents to evacuate the heat generated by the motor and batteries.

The lightness of the airframe combined with a modern profile equipped with flaps give surprisingly good flight characteristics.

ELECTRA PRO is equipped with flaps.

A what good looks !
