

Topmodel CZ Challenger ARF - 1995mm

Art.Nr.: 02096ARF

The **Challenger** is a sailplane which you will use everywhere and by all times

Easily transportable with its wing in 2 parts and its dismountable elevator.

With the recommended drive train, it climbs to the trees! and has a huge autonomy!

Its wing, completely planked with MH32 airfoil and a modest surface allows fantastic performances which are still raised by a particularly low flying weight. Thus, this sailplane is as well excellent in dynamic flight as in thermal flight!

The model is designed and manufactured in Czech Republic. Spare parts are in stock.

If you are interested in a different color combination than we offer, please contact us.

Technical specification:

							
1995 mm	1340 mm	1,2-1,6 kg	36,3 dm ²	33-44 g/dm ²	MH32	el. motor	5 channel 6 servos

RC equipment: 5 channel

- 7-channel receiver
- 2 micro servos for ailerons (**Hitec HS 82MG**)
- 2 servo for flaps (Hitec HS 82MG)
- 1 servo for elevator (Hitec HS 82MG)
- 1 servo for rudder (Hitec HS 82MG)

Motor: Robbe RO-POWER TORQUE 3522 1000 K/V BRUSHLESS
MOTOR + CAMcarbon 11x8");

Controller: 40-50A Brushless
Spinner: "turbo" spinner 40mm
Akku: 3S LiPol 2,2-3,2Ah

Content of the set:
