

HITEC Bluetooth Modul fr RDX 2 PRO

Art.Nr.: 1-02415

stellt eine zuverlässige Verbindung zwischen Ihrem Smartphone und dem HiTEC RDX2 Pro DUO-Ladegerät her, sodass der Benutzer über die im Apple Play Store oder Google Play Store erhältliche App 'Hitec Bluetooth Dongle' die Einstellungen steuern und anpassen sowie den Ladestatus überwachen kann.

Designed exclusively to pair with our **RDX 2 Pro charger, stock# 44301**, the Hitec Bluetooth Dongle establishes a reliable connection between your smartphone and the RDX2 Pro charger, allowing control and monitoring of the charger via the app.
