

T-MOTOR BPP-4D AM40 Brushless Combo F3P indoor 1850kv

Art.Nr.: BPP-4D AM40-1850

T-Motor BPP 4D Pro Combo – 1850kv version (Motor, 16A ESC, Prop)

The new leader for F3P – Buy one motor, get 2 functions

- The AM40 motor is very light and robust. It can easily switch from normal 3D to 4D (with the 4D prop & adapter installed).
- The 16A T-Motor ESC is 3D/4D compatible and with the one-key switch you easily change between 3D and 4D mode.
- This package comes with amazing 4D F3P prop. Both were excellently ballanced for the best possible performance.
- Weight of total setup (Motor, ESC, prop): approx. 36g!
