

## DUALSKY GEMINI 3018 Akkuweiche Futaba S.BUS Standard

Art.Nr.: 21896

Technische Daten

- Dual battery (2S, LIPO) redundant input
- Linear regulated output capability up to 30A
- Dual S.BUS1/2 signal redundant input
- 18-channel PWM output and 2 HPB outputs
- Automatically synchronise output refresh rate with receiver
- Equipped with new FSS-5 fail safe electronic switch
- Supports high voltage output
- All aluminum alloy CNC housing
- Suitable for large gasoline models, jets and drones

PREIS:

229,00 EUR
